

Letter to Parent/Guardians- Safe for Life Field Trip

Your child's Grade 6 class will be visiting the Calgary Police Discovery Centre in the coming weeks.

The Calgary Police Discovery Centre (CPDC) is an independent charitable organization that operates in partnership with the Calgary Police Service to deliver relevant and meaningful content to youth. Our mission is to empower grade 6 youth to make confident and positive choices surrounding some of the greatest challenges they face. Our goal is to impart tools, strategies, and resources through experiential learning exhibits, interactive and engaging digital resources, and facilitated curriculum-based programming.

As part of the Grade 6 Calgary Police Discovery Centre School Program, your child will have the opportunity to participate in our "Safe for Life" workshops. The Safe for Life program empowers youth to make more informed life choices, and gives them straight facts on challenging topics. The following are the core topics that will be discussed during the program:

Healthy Relationships, Drugs, Gangs, and Cyber Safety

Students will also learn about seeking help and support from safe, trusted adults, and local community resources. Our goal is to provide students with the knowledge and tools to make confident and positive life choices, thus preventing crime.
